Irregularity of procedure condemned.	States that, some time since, the Chief Commissioner's attention was drawn to a statement in one of the public journals that the Cantonment Police of Peshawar had been increased by 100 chowkidars. Since his arrival at Peshawar, the Chief Commissioner has ascertained from the Officiating Cantonment Joint Magistrate that this establishment was sanctioned by the Judicial Commissioner in January 1856, at a monthly cost of Rs. 500, for six months only; that the Commissioner of Peshawar has authorized subsequent payments and that the amount of bills for two months has been advanced on the same authority, consequent on the refusal of the Civil Auditor to pass them Expresses Chief Commissioner's great dissatisfaction at the irregularity which has been permitted to occur in this matter, which is in direct opposition to the orders of Government. Adds that the Chief Commissioner does not wish it to be supposed that he considers the increase unnecessary, but he objects to the manner in which it has been carried out. and calls for a report of the causes which necessitated the measure, of the details and cost of the extra force, of the sums which remain for adjustment, the source from which it is paid, and of what is proposed for the future.
